

# Artcenter Traverse City and

## Chateau Chantal

are proud to continue our collaboration in 2009, to create a specially produced wine label, featuring an original work of art created by a member of the Artcenter Traverse City. The artwork featured will be juried by Chateau Chantal. Labeled Bottles will be signed and numbered by the artist and offered for sale to the public. In 2008, Jerry Gates' oil pastel painting was chosen, in 2007, the inaugural wine label featured a Charles Murphy painting. A portion of each sale will be donated to Artcenter Traverse City.

Chateau Chantal was established on the Old Mission Peninsula in 1983, when cherry orchards were replaced with grafted viniera grape vines—the same species of wine grape grown along other parts of the 45th parallel in the Bordeaux region of France. The handcrafted wines are produced under the winemaker's meticulous supervision from vineyard to bottle. Chateau Chantal is a place to immerse yourself. Their vision is to offer a unique Old World experience that combines vineyard and winery, B & B lodging and friendly company, all in a relaxing rural landscape featuring breathtaking views, local beaches, trails and quiet country roads.
