# Step 3: Choose the Colors

Decisions, decisions, decisions. We offer more than 60 dye colors, creating thousands of tie dye color combinations. While the colors below are bright, the intensity of our real dyes is so vibrant that the conventional offset printing used to create this catalog cannot reproduce our dye colors exactly. Thus, our tie dye colors are actually more vivid than shown.

 Black	 Pumpkin	 Pastel Gray
 Brown	 Purple	 Pastel Kelly
 Burnt Orange	 Red	 Pastel Maroon
 Camo Brown	 Royal	 Pastel Navy
 Camo Tan	 Sage	 Pastel Orange
 Cardinal	 Silver	 Pastel Pink
 Cherry	 Tan	 Pastel Pumpkin
 Columbia	 Teal	 Pastel Purple
 Coral	 Turquoise	 Pastel Red
 Forest	 Vegas Gold	 Pastel Royal
 Fuchsia	 White*	 Pastel Sage
 Gold	 Yellow	 Pastel Silver
 Gray	 Pastel Black	 Pastel Tan
 Khaki	 Pastel Brown	 Pastel Teal
 Kelly	 Pastel Burnt Orange	 Pastel Turquoise
 Lime	 Pastel Cardinal	 Pastel Vegas Gold
 Maroon	 Pastel Cherry	 Neon Blue
 Mint	 Pastel Columbia	 Neon Green
 Navy	 Pastel Forest	 Neon Pink
 Orange	 Pastel Fuchsia	 Neon Orange
 Peach	 Pastel Gold	 Neon Yellow
 Pink		

Don't see your color? We can mix custom colors.

All custom mixed dyes carry extra fees and lengthen production time. 288-piece minimum.

\*White is the shirt color not a dye color. During the washing process, other colors will tinge white areas slightly.

Pastels are diluted variants of the original color. Combining them with their parent colors produces subtle and distinctive looks.

At Dyemite, we can customize each tie dye to your specifications. Here are some of our best-sellers.
