

ImpactFolios

Skill Level: Basic

ImpactFolios is one of the most powerful Portfolio Hosting sites on the Internet. What is Portfolio Hosting? It allows YOU to have complete and total control over the design, color and content of your website, even if you don't know anything about HTML or Web Design!

In this class you will learn how to use the different features and functionality of the ImpactFolios system. Learn how to control the Homepage and Page Design Templates and Color Schemes. We will cover the complete navigation bar and even walk you through e-commerce.

In this class you will learn:

- How to select a Design and Layout
- Formatting font & color schemes
- Creating a Blog, Guestbook and Contact Form
- Using the HTML Page options
- Adding portfolios and pictures
- Upload images and change image options
- Adding Music, Videos and PDF files to your site
- Creating a slideshow on your site
- And more!

General Class Information:

You can edit your current account or setup a trial account during class, which can later become your permanent account if desired. If you currently have an ImpactFolios account, make sure to bring your Username, Password and questions with you to class!

Whether you need classroom style training for your entire company, a group presentation or a one-on-one class, we have a class for you!

For questions or to schedule a class, call 231.631.7918 or email info@tctrainme.com.
