

William Stuart Jones

The successes a person experiences always originate with hard work. I'm not a stranger to working hard. I bring a unique set of skills and training that will enable me to jump in on day one and make meaningful contributions to the team.

My former classmates and I recently completed production on a 3D animated short named *Atlas' Revenge*. Throughout the two-year project, I worked in all aspects of production, from pre-visualization to final compositing. Because of *Atlas*, I know that strong teamwork and staying positive in light of adversity ultimately produces a piece that everyone can be proud of. *Atlas' Revenge* is being featured at an education talk at this year's SIGGRAPH convention.

I also have experience working in New York as an intern for WeissComm Group, a leading public relations firm, helping account teams with social media initiatives on behalf of the agency's clients. In addition, I was instrumental in the opening of a satellite WeissComm office in Summit, New Jersey, in which I assisted with operations upstart.

My resume and demo reel is attached for your reference. Please contact me with any questions you may have. Thank you for taking time to read this letter,

Sincerely,

A handwritten signature in black ink, appearing to read "W. Stuart Jones", with a long, sweeping horizontal flourish extending to the right.

Education

University Of Central Florida Class of 2009 Bachelor of Art, Digital Media
Concentration: Visual Language- A studio based curriculum, involving principles of animation, production, story telling and design. Emphasis on teamwork and communication.

Projects

Senior Capstone Production

Atlas' Revenge- UCF Visual Language Class of 2009 Student Film

A musically-driven short film starring a precocious little fish named Atlas, and his battle against the ominous, seemingly inanimate Robofish.

Through the entire production I had a hand in:

**Script Development, Storyboarding, Modeling, Texturing, Scheduling,
Story Reel Production, 3D Layout, Animation, Rendering, Compositing**

Work Experience

WeissComm Group New York City, New York June 08-August 08
